| Declared Value<br>(Optional) :US \$  | 1. This Sea Waybill shall have effect subject to any legislation that enacts the International Convention for the Unification of Certain Rules Relating to Bills of Lading dated Brussels 25 August 1924 as amended by the Protocol signed at Brussels on 23 February 1968 ("Hague-Visby Rules"), provided that such legislation is compulsorily applicable in the country where this Sea Waybill is issued or goods are to be delivered, but if there is no such compulsorily applicable legislation, the terms of the Hague-Visby Rules shall apply.<br>2. Notwithstanding the paragraph 1 hereof, if this Sea Waybill covers Goods moving to or from ports of the United States in foreign trade, or if United States law is otherwise compulsorily applicable, then carriage of such Goods shall be subject to the provisions of the United States Carriage of Goods by Sea Act, 1936, and any amendments thereto (hereinafter "U.S. COGSA"), the terms of which are incorporated in this Sea Waybill, and the provisions of U.S. COGSA shall govern prior to loading on and subsequent to the discharge from the Vessel and throughout the time when the Goods are in the custody of the Carrier or any Subcontractor including all stages of Intermodal Transportation.<br>3. This Sea Waybill is not a document of title and the Carrier is entitled to deliver goods without presentation of this Sea Waybill.<br>4. Subject to the foregoing paragraphs, all the terms and conditions, including but not limited to exceptions, defences and liberties, of the Carrier's Standard Bill of Lading, which will be made available upon request, shall be deemed to be incorporated herein with logical amendments. |      |         |         |
| Total Charge                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |      |         |         |
